

DRESS CODE FOR SCHOOL TRIPS

Please remember that this is a school trip and therefore you need to be appropriately dressed. As a school group we will already be conspicuous and we do not wish to draw unnecessary attention to ourselves. We will apply the following dress code to this trip:

- Cover up bare shoulders
- Short shorts are inappropriate
- Wear opaque tights under mini-skirts, ensuring that the length of skirts is decent as per school uniform
- You may wear earrings and jewellery, but you will be responsible for them
- Hair to be a natural colour
- Wear sensible footwear, trainers for walking, flip flops/slippers in the hotel
- School hoodies to be worn for travel
- No bare midriffs
- If a member of staff deems what you are wearing to be inappropriate you will be asked to get changed.

By signing this contract you are agreeing that you and your child fully understand and respect the conditions and expectations stated in the dress policy and behaviour contract.
