Sant'Agnello, Italy, 80065 for 3 nights.

This accommodation is on a full board basis.

Tour basics

Meal arrangements

Breakfast and dinner will be eaten at the hostel each night. Packed lunches will be provided to eat during the day.

Students must bring a packed lunch or money to buy a packed lunch at Liverpool airport for the first day.

Tour basics

Travel tips – money

The currency in Italy is the Euro. The trips excursions and food have all been paid for so students will only need money for gifts and any additional snacks they may wish to buy.

How much money students take is up to them. However we recommend that students take no more than €100 each as they are responsible for looking after it.

Students must bring with them €10 deposit each for their rooms. This will be refunded on check out if there is no damage.

Travel tips – packing

The weather in Italy at this time of year is **mild but variable**. As such, I recommend that students pack accordingly once we leave the accommodation we will be out all day.

Students must take the following with them

- A warm jumper-it can be cold walking up Vesuvius.
- Comfortable shoes.
- A pair of sports trainers or similar to walk up Vesuvius.
- Travel sickness tablets if needed.
- An empty water bottle to fill up.

Please note that students must dress in accordance to school protocol; anyone who does not will be asked to change.

There will be no swimming so swimming costumes are not required.

Travel tips – Electronic devices

We anticipate that students will want to take electronic devices to record memories and contact home.

Students will be able to take electronic devices but if asked not to use them for any reason they must respect the instruction given by staff and all phones and ipads (or similar) must be handed in to the groups staff member each evening with out argument- this is a Lancashire County Council policy.
