

KS4 -> Post-16 Transition

There is a wealth of options available for our pupils once they leave our school and we work hard to ensure that each discovers the right pathway, whether that be full-time education an apprenticeship or traineeship, or employment.

Each pupil will have their own unique aspirations and we aim to support and grow those in addition to exposing our pupils to all of the options available to them so that they can make an informed decision about their future.

Careers education is embraced and valued by all of our staff. We have a stable careers programme that addresses the needs of each pupil. We link curriculum learning to careers, offer numerous encounters with employers, employees and the workplace Our pupils our exposed to all further and higher education pathways and receive high quality personal guidance
