Dear Parents / Guardians

Geography GCSE fieldwork trip to Liverpool

In Year 11 pupils will be completing Unit 3 of the Geography course, which involves fieldwork. The trip will be a whole fieldwork day in Liverpool to study human geography on either **Friday 30th September (Classes A and C)** or **Monday 3rd October (Classes B and D)**. Your child knows which class they are in and which day they will be going on the trip.

The pupils will leave school at 9.30am after registration and travel via coach to Liverpool city centre. They will visit Liverpool Museum in the morning learning about the history of the Albert Dock, then undertake fieldwork research around the Albert Dock and Bold St during the day. They will return to school by 4.30pm. The data collected on this trip will be used in their Unit 3 exam. Pupils must attend in order to fulfil the course requirements.

Pupils can either bring a packed lunch or will need a small amount of money to buy lunch in Liverpool. If your child is entitled to free school meals please let your child's Geography teacher know if they would like a packed lunch provided on the day. All movement around the city will be supervised and there will be no free time for shopping. Pupils should wear their full school uniform and bring a waterproof jacket as we will be out all day. They will need their pencil case.

The cost of this fieldtrip is **£12** which covers the cost of the return coach trip to Liverpool. If parents or carers have a genuine difficulty in meeting this cost, please speak with your child's Learning Manager in the first instance.

Please could you complete the **medical form** online and pay **£12 via Scipay by Friday 16th September**.

If you require any further information, please don't hesitate to contact me on gst@olchs.lancs.sch.uk

Yours sincerely,
Mrs. Staunton
