The Key Stage 4 Curriculum

Options A, B, C and D

Art	History
Business Studies	Cam National ICT
Computer Science	Music
Construction (voc)	Motor Vehicle (voc)
Drama	GCSE PE/Cam Nat PE
Food Prep and Nutrition	D&T Resistant Materials
French	Separate Sciences
Geography	Sociology
D&T Graphics	Spanish
BTEC Health & Social Care	D&T Textiles
Hair and Beauty (voc)	BTEC Workskills

The English Baccalaureate

- GCSE Mathematics
- GCSE English Language
- GCSE Science
- GCSE History or Geography
- GCSE French or Spanish

BTEC/OCR National

- We offer the following 4 nationally recognised 'GCSE equivalent' courses

- OCR National in Information Technology
- OCR National in Sports Studies
- BTEC Tech Award in Health and Social Care
- BTEC in Workskills

- Level 1 D, M, P - GCSE Grade 1-3

- Level 2 D*, D, M, P - GCSE Grade 4-9

Vocational Courses

NVQ Level 1 Courses

- Hair and Beauty at Preston College
- Motor Vehicle at Preston College
- Construction at Preston Vocational Centre
- Pupils who are selected will attend Preston College each Wednesday afternoon from 1.30 to 4.30 p.m
- Behaviour and attendance are key issues
- Level 1 courses (GCSE grade 3 maximum)
- Limited places reserved for pupils who require additional pathways

Limited Places

- There is a limit to the number of places available for each subject
- Resistant Materials – 20
- Food Prep and Nutrition – 20
- Music - 16

The importance of Plan B

- Preferences 5 and 6 are **very** important
- Around a third of Year 10 will follow a course they have put down as preference 5 or 6
- Do not just pick 5 and 6 without careful thought
- Pupils are not guaranteed their preferences

GCSE Art and Design (Fine Art)

Summer 2018: 95% G4+

32% G7+

Course description

Why choose Art and Design?

As an Artsmark Platinum School we provide our students with a wide range of creative, exciting and stimulating opportunities. They are able to explore their interests in art and design in ways that are personally relevant and truly developmental in nature. The Art staff at OLCHS provide a course that is exciting, demanding and varied. It aims to cater for the strength of individuals recognizing the enthusiasms and areas of expertise of our pupils. It puts into practice the skills, disciplines and techniques they learn in order to communicate ideas, feelings and meanings about art, craft and design.

An outline of the course

At OLCHS we follow the AQA Fine Art (8202) syllabus. The course is split into 2 components.

Component 1 (coursework) is **60%** of the total mark/grade.

Component 2, the final **40%** is an Externally Set Assignment (exam project), by the examination board.

Component 1 (coursework).

The course is delivered through a series of initially very structured projects, which will eventually allow for individualistic interpretation (requiring a considerable amount of one to one teaching). In addition to the timetabled classes we offer lunchtime and afterschool coursework/examination sessions, trips, and workshops with artists.

You will have to complete at least two projects showing competence in at least one of the following areas of study. The areas of study, in which you can demonstrate competence, include: drawing, painting, sculpture, installation, lens-/light-based media, photography and the moving image, printmaking, mixed media, land art.

Your projects will consist of preparatory studies in a sketchbook/workbook format leading to one or two final pieces, using a range of media. Your sketchbook work must be annotated (written explanations of your art work - the thought processes, media used and

Component 2 (externally set assignment).

The remaining 40% of the mark is the externally set assignment (examination).

The externally set assignment is an exam paper produced by AQA with a number of themes/questions, you choose the theme which best suits your artistic style and captures your imagination the most. You will be given these questions themes during January in Year 11. This allows time for you to interpret the theme and give an individualistic and personal response with a series of preparatory studies (usually presented in a sketchbook format).

[Work With Us](#)

At Our Lady's Catholic High School we are committed to providing all of our students in Years 7 to 11 with a comprehensive programme of careers education, information, advice and guidance (CEIAG) and work related learning (WRL) that is underpinned by the firm belief that every young person needs high-quality career guidance to make informed decisions about their future.

Our programme is guided by the eight Gatsby Foundation benchmarks. Click on each descriptor below to learn how we:

- [Have an embedded programme of career education and guidance that is known and understood by pupils, parents, teachers and employers.](#)
- [Provide good-quality information about future study options and labour market opportunities.](#)
- [Offer different career guidance needs at different stages where opportunities for advice and support are tailored to the needs of each pupil.](#)
- [Link curriculum learning with careers for a wide range of future career paths.](#)
- [Facilitate opportunities to learn from employers about work, employment and the skills that are valued in the workplace.](#)
- [Provide first-hand experiences of the workplace to help their exploration of career opportunities.](#)
- [Ensure our pupils understand the full range of learning opportunities that are available to them. This includes both academic and vocational routes and learning in schools, colleges, universities and in the workplace.](#)
- [Provide guidance interviews with a trained careers adviser.](#)

General Advice

- Do indicate a preference for subjects that you are good at
- Do indicate a preference for subjects that will help with your chosen career
- Do indicate a preference for a subject that you enjoy
- Do aim to keep open as many avenues as possible in the future
