Our Lady's Catholic High School

Headteacher – Richard Charnock

Thank you for your interest in the position of Teacher of Art at Our Lady's Catholic High School.

Our Lady's Catholic High School is a highly successful oversubscribed 11–16 mixed High School of 900 pupils serving mainly the Catholic community in the north of Preston. We have an excellent reputation and are consistently ranked as a high performing school. We place an emphasis on helping each child reach their full potential and provide a safe, loving environment where our pupils can grow and develop to become One of Ours.

Behaviour and relationships in our school are very strong and all teachers use our highly respected and successful system for managing behaviour and relationships called 'Behaviour 4 Learning'. This is supported by a sophisticated system for rewarding pupils for being fit to learn and for commitment to school life.

Potential candidates are very welcome to visit our school and see for themselves our wonderful pupils and staff. Should you wish to visit please contact Pam Stott using the details on the final page.

We look forward to receiving your application.

Yours sincerely,

R. Charnock

School information for candidates

Introduction

Our Lady's Catholic High School is a highly successful, oversubscribed, 11–16 mixed High School of 900 pupils serving mainly the Catholic community in the north and west of Preston. As a Voluntary Aided high school, we are part of the Catholic Diocese of Lancaster. The Rt Rev. Paul Swarbrick is our Bishop.

History of Our Lady's Catholic High School

Our school was founded in 1988 as the result of a lengthy consultation process within the Diocese of Lancaster. The then five Catholic secondary schools were reduced to three. The two schools which amalgamated to form Our Lady's were: St Edmund Campion in Lea and St Cuthbert Mayne, which already occupied the current site of Our Lady's in Fulwood. Our school's identity is very much defined by the parishes and the ten primary schools which form our family, and these have ensured a clear continuity from the two former high schools.

Our Ethos and Mission

Our Lady's is first and foremost a Catholic School. It follows from this that the ethos of our school should reflect the values proclaimed by Christ in the Gospels and recognises the unique value of each individual.

Our Mission is to be a Faith Community which, through following Gospel Principles, acts as a positive example, both within our own and our extended community.

Core Principles

Everyone at Our Lady's has the right to:

Develop their faith in a supportive context

At Our Lady's this means we remain true to the teachings of the Holy Catholic Church while respecting the traditions of all faiths. We look to support all people in developing a love of God and their fellow people both within and outside of our school community

Work and learn to the best of their abilities

At Our Lady's this means that pupils should be well prepared for lessons by bringing the correct books and equipment. In class pupils should help others to learn by trying hard, listening well and being aware of the learning needs of others. Staff should be well prepared by planning appropriate, challenging lessons and providing regular feedback on progress. Everyone should value their gifts given by God and contribute to the life of our school

Be treated with respect at all times

At Our Lady's this means that we should speak in a way that supports others and helps each individual to grow and feel a welcome part of our school community. Opportunities, help and support will be given to all pupils and staff regardless of their gender, faith, race or background.

Feel safe

At Our Lady's this means that disagreement should always be resolved through discussion. The behaviour of everyone should contribute toward creating a calm and peaceful community. People who have worries about bullying behaviour should be taken seriously, their concerns investigated and appropriate action taken. Everyone should look out for others and report any concerns.

*"In all my years of school Masses, I have
never experienced such a wonderful, prayerful
celebration of Mass"*

**MICHAEL CAMPBELL OSA,
EMERITUS BISHOP OF LANCASTER**

Our Pupils

Our catchment has remained very stable for many, many years. There are insufficient Catholic pupils in our family of Catholic primary schools to fill our 180 places. Hence, we offer about 20 places to pupils of other faiths. In recent years we have been very heavily oversubscribed with around 240 first place choices for our 180 places and well over 700 applications overall. We therefore have a wonderfully diverse population with strong numbers of Muslim, Hindu and Sikh pupils and a variety of other Christian faiths. Our percentage of baptised Catholics is about 79%. None of our families ask for their children to opt out of any of our collective worship programme as they are all 'One of ours'. There is no academic selection of any kind nor social selection based on number of church attendances. Some of our wards are affluent and others are very disadvantaged indeed. We serve the absolute range of society with our overall population skewed slightly to more advantaged.

mature, confident... friendly and happy"*

Catholic Teaching Alliance

In 2014 we were awarded the status of National Teaching School. Our plan was to create the Catholic Teaching Alliance (CTA), an association of Catholic schools, mostly within the Diocese of Lancaster, where the Catholic teachers and educational leaders of the future are trained. In part, this was a response to one of our objectives from our 2012 Ofsted report which was to 'Share more widely outstanding practice evident in school, for the benefit of students and teachers, including the use of digital technology to aid learning.' It was also an expression of our belief in working in partnership with other schools for the greater good of Catholic education and to develop succession planning. The core business of the CTA is initial teacher training which we do in partnership with the University of Cumbria. The CTA base is here at Our Lady's in the Training Centre, a bespoke building from which both administration and many taught elements take place. To date we have trained approaching 350 people as potential teachers within our Catholic schools.

Abacus Maths Hub

In 2018, following a competitive selection process, we became a pilot Maths Hub school with a view to becoming a lead school of a Maths Hub two years later. At the end of the first year of the pilot we were asked to become the joint lead school with Cardinal Newman College and so was created the Maths Hub, Abacus North West which serves over 600 schools. Cardinal Newman College is the outstanding Catholic VI Form college in Preston and the significant majority of our pupils progress there.

*"One of the top 10% of non-selective
schools in England and one of the best schools in the country for
securing superb GCSE outcomes, addition
value to their students' achievements and
outperforming expectations for their pupils"*

CHIEF EXECUTIVE SSAT

Behaviour & Relationships

We are very proactive about bullying and discrimination of any kind. We teach about such matters in our Personal Development programme; we research regularly with our pupils and staff to discover instances and we deal robustly with all examples.

Behaviour and relationships in our school are outstanding. Our teachers use our highly respected and successful system for managing behaviour and relationships called, 'Behaviour 4 Learning'. This is supported by a sophisticated system for rewarding pupils for being fit to learn and for commitment to school life. Our reward system is valued greatly as exemplified by how our pupils, from years 7 to 11, all wear their badges every day on their school jumper with pride. Our uniform is simple, affordable and is worn consistently by everyone. When you put on our uniform, you put on our school, because you are One of Ours.

Information about the Curriculum Area

Art at Our Lady's Catholic High School

At Our Lady's, Art and Design is studied by all pupils at Key Stage 3, and is an optional GCSE subject that remains extremely popular. A high number of our students choose to continue their studies in Art at Key Stage 4. The Art Department is made up of a full-time Principal Teacher of Art and a specialist Teacher of Art. The department is equipped with two classrooms, a dedicated computer area and workspace, and a kiln room. All of these spaces are well-resourced to provide a broad and dynamic curriculum for our students.

The Art Department offers a rich, challenging, and engaging curriculum, which is regularly reviewed and adapted through our Department Development Time (a fortnightly opportunity for staff to collaborate on curriculum planning, share best practices, and discuss pedagogy) and annually reviewed in the Curriculum Area Self Evaluation form. We make use of centralised shared resources, adhering to the curriculum map for Art, and regularly assess students' progress to ensure continuous improvement. Teachers are encouraged to plan their own lessons in a responsive and flexible way, tailoring content to meet the needs of their classes and ensuring that pupils make excellent progress. Early Career Teachers receive exceptional support in developing their subject knowledge, planning skills, and teaching strategies.

This is an exciting opportunity for an individual to join our department and bring their own specialisms and creative vision as we continue to grow. Our approach is collaborative, ensuring that all pupils make outstanding progress in Art. Currently, 126 pupils are studying the AQA GCSE Art and Design (8201) specification at Key Stage 4. This is a busy, successful department with outstanding GCSE results, with all pupils being entered for examination. In 2024, 94% of students achieved GCSE grades 4-9.

The Art curriculum is further enriched with a wide range of extracurricular activities. We offer lunchtime and after-school clubs and we ensure that Art is seen as a dynamic and integral part of the broader educational experience. We believe that creative expression plays a key role in the emotional, intellectual, and social development of our students, helping them build the skills and confidence they need.

The department organises external visits to galleries and museums, as well as inviting artists to work with students in school, giving them the opportunity to see art in action. Our pupils participate in local and national art competitions and exhibitions, and all KS4 students have the opportunity to display their work within the department's vibrant and inspiring art spaces.

As a member of the Art Department, you will be joining a passionate, supportive team committed to providing high-quality, engaging, and enriching art education for all students. You will be given the opportunity to contribute to the development of the department, bringing new ideas and approaches to inspire and challenge our students.

This is a fantastic opportunity for an enthusiastic and dedicated teacher to join a thriving and successful department in a school that values creativity, excellence, and personal growth.
