Newsletter No. 17
23rd January 2026

Repent, for the kingdom of heaven is at hand...

...the people dwelling in darkness have seen a great light... (Matthew 4:12-17)

In this week's Gospel, Jesus calls us to turn our hearts back to God. Repentance is an invitation to change, to trust in God, and to live each day with renewed faith. God's Kingdom is near whenever we choose love, forgiveness, and hope, allowing the light of Christ within us to shine and bring light to others.

Let us pray,

Lord, open our hearts to your mercy.

Help us to turn back to you

and to live as witnesses of your Kingdom.

Amen.

Being One of Ours

year 9 MEGA DAY

A group of ten Year 9 OLCHS pupils recently attended the Cardinal Newman College 'Mega Day', alongside four local High Schools. During the sessions the pupils explored the use of AI and what this meant to them and ideas about how this can be applied in their lives. Our pupils were split into two groups and were asked to identify a 'real-world problem' which was important to them. Pupils were then asked to develop an AI tool to assist in the improvement of their chosen 'real world' problem, using UN Global Goals to give them some ideas. Our groups chose 'Gender Equality' and 'Mental Health and Wellbeing' for their AI projects. Both teams had a budget of £100,000 to create their AI tool and used current AI tools such as 'PartyRock' and 'Midjourney' to help.

The day was very enjoyable, and both teams worked hard on their presentations in the Cardinal Newman lecture theatre, and although they didn't win, they had a great day learning lots of new skills and inspiration for the future!

Year 8 Gothic Spirit Award PART 2

In last week's newsletter the Gothic Award 2025 winners were announced. Here are some of the other wonderful entries we received:

Dear Percivil, by Elliot Holden

Dear Percivil,
I write to you bringing dire news. I'm sure you are aware that over the recent months, I have been on the brink of making history with 'The Experiment'. I have worked tirelessly, day and night, isolating myself in my laboratory for days upon end, all the while thunder clapped, lighting struck and the heavy London rain poured down on the roof. The sound reverberating through the entire house. The time rushed by and soon came the night of the experiment. Although it didn't quite go as was expected...

The Cleaner, by Phoebe McCann

Brooke Forest 9:15am
He unloaded his van and stood at the forest edge staring into the deep terrain of trees that looked like they went on forever until the end of time. 'Just one job. Just this one and then I can quit,' Jonathan muttered as he shakily stepped towards the forest. As Jonathan dragged his feet through the forest, tools and cleaning supplies on his back, he felt a pair of eyes watching his every move...

The Broken Bride, by Eden Palmer

I woke up in a dark forest. It was raining heavily. I looked up as my long white wedding lace dress trailed across the floor. I kept walking and walking until I came across an old abandoned chapel. It had cracked windows and an ash roof. I crept closer. When I got to the door, it creaked and I opened it slightly. I gradually pushed it open and felt a dusty breeze as if it was holding back sad memories. I walked in quietly and saw broken benches and ash everywhere. I recognised this place, but did not know why...

Waiting, by Oscar Cribelli

I stumbled through the endless hallways, my heart pounding. The sound of dripping blood alarmed my ears as I clung to one of the drawers. It had an accumulation of dust and one of its wooden legs was missing. Outside, the thunder tore open the sky as one of the lightning bolts struck a desolate tree, setting it ablaze.

YEAR 7 & 8

The Year 7 and Year 8 netball teams hosted Longridge in a home fixture on Monday after school, with all teams producing strong performances.

The Year 7 team had a slow start to the match but showed great resilience. Following a positive and effective half-time team talk, they improved significantly in the second half and pulled away from their opponents to secure a 9-3 victory. Emily S, the team captain, was awarded Player of the Match for her excellent playmaking in attack and her consistent and accurate shooting.

The Year 8 team, captained by Isabel W, dominated the game from the first whistle. They established a commanding 9-0 lead by half-time and continued their strong performance into the second half, eventually winning 17-0. Rio A was named Player of the Match by Miss Lewis for her outstanding defensive skills, making numerous interceptions throughout the game. Longridge selected Eden P as their Player of the Match.

YEAR 11 BOYS

The Year 11 boys' team, captained by Patrick M, were also in action in a closely contested match. Showing great composure and determination, they held their nerve to win 9-8. Lincoln S received Player of the Match for his excellent playmaking and ability to find space to score.

Overall, it was a very successful set of fixtures, with all teams demonstrating strong teamwork, skill, and sportsmanship.

YEAR 8, 9 & 10

On Wednesday, Year 8, 9 and 10 hosted Broughton in a series of netball matches, achieving an impressive clean sweep against our opponents.

The Year 8 team, captained by Isabel W, delivered a convincing performance, beating Broughton 13-3. The team showed excellent teamwork and control throughout the match.

The Year 9 match, led by Lois W, was a nail-biter, with neither team scoring easily. Despite the pressure, the team dug deep to secure a 6-2 victory. Rose B was awarded Player of the Match for her outstanding ability to create attacking opportunities.

Finally, the Year 10 team, captained by Amy R, kept their composure in another closely fought game, winning 14-9. Player of the Match went to Dottie A, who used her speed and agility effectively to drive the ball down the court.

Overall, it was a fantastic afternoon of netball and a deserved clean sweep for our teams.

Careers

BAE SYSTEMS

Last Friday, sixteen Our Lady's Year 11 pupils visited **The Academy for Skills and Knowledge** at BAE. Pupils spent time visiting different apprenticeship workshops, an employability workshop and learned about the process of applying to be an apprentice.

Year 11 made an outstanding impression.

BAE apprenticeships are still open but do close mid February.
