Headteacher – Richard Charnock

Thank you for your interest in the position of Science Technician at Our Lady's Catholic High School.

Our Lady's Catholic High School is a highly successful oversubscribed 11–16 mixed High School of 900 pupils serving mainly the Catholic community in the north of Preston. We have an excellent reputation and are consistently ranked as a high performing school. We place an emphasis on helping each child reach their full potential and provide a safe, loving environment where our pupils can grow and develop to become One of Ours.

Behaviour and relationships in our school are very strong and all teachers use our highly respected and successful system for managing behaviour and relationships called 'Behaviour 4 Learning'. This is supported by a sophisticated system for rewarding pupils for being fit to learn and for commitment to school life.

An exciting opportunity has now arisen for the position of Science Technician to support learning by providing technical assistance through working with pupils in the delivery / demonstration of practical learning activities and the preparation and maintenance of teaching areas and equipment for pupils. The role also includes contributing to a positive learning environment through the establishment of constructive relationships with pupils and the wider school community.

The successful candidate will need to possess excellent written and oral communication skills, be a strong team player and have experience of supporting KS3 and GCSE practical science work, including preparation of experiments, maintenance of equipment and adherence to health and safety procedures.

This post is full time, term time only and working hours are Monday – Thursday 7.30am – 3.30pm and Friday 8.00am – 3.30pm, with a half hour lunch break; a total of 37 hours per week. This post is temporary to cover a maternity leave. If successful, the salary received based on the hours and weeks specified will be between £21,975 and £24,229 per annum.

The closing date for application is noon on Wednesday 13th May 2026. Please note that in line with Keeping Children Safe in Education 2025, an online search will be carried out as part of our due diligence on shortlisted candidates. CVs are not accepted, to apply for this vacancy you need to complete the application form attached.

I hope you will feel encouraged to apply for this post and I look forward to receiving your application. We welcome applications from ambitious and passionate individuals and our mission is to appoint the best available candidate to this key role in our school.

Yours sincerely

R Charnock

Our Lady's Catholic High School

School information for Candidates

Introduction

Our Lady's Catholic High School is a highly successful, oversubscribed, 11–16 mixed High School of 900 pupils serving mainly the Catholic community in the north and west of Preston. As a Voluntary Aided high school, we are part of the Catholic Diocese of Lancaster. The Rt Rev. Paul Swarbrick is our Bishop.

History of Our Lady's Catholic High School

Our school was founded in 1988 as the result of a lengthy consultation process within the Diocese of Lancaster. The then five Catholic secondary schools were reduced to three. The two schools which amalgamated to form Our Lady's were: St Edmund Campion in Lea and St Cuthbert Mayne, which already occupied the current site of Our Lady's in Fulwood. Our school's identity is very much defined by the parishes and the ten primary schools which form our family, and these have ensured a clear continuity from the two former high schools.

Our Ethos and Mission

Our Lady's is first and foremost a Catholic School. It follows from this that the ethos of our school should reflect the values proclaimed by Christ in the Gospels and recognises the unique value of each individual.

Our Mission is to be a Faith Community which, through following Gospel Principles, acts as a positive example, both within our own and our extended community.

Core Principles

Everyone at Our Lady's has the right to:

Develop their faith in a supportive context

At Our Lady's this means we remain true to the teachings of the Holy Catholic Church while respecting the traditions of all faiths. We look to support all people in developing a love of God and their fellow people both within and outside of our school community.

Work and learn to the best of their abilities

At Our Lady's this means that pupils should be well prepared for lessons by bringing the correct books and equipment. In class pupils should help others to learn by trying hard, listening well and being aware of the learning needs of others. Staff should be well prepared by planning appropriate, challenging lessons and providing regular feedback on progress. Everyone should value their gifts given by God and contribute to the life of our school.

Be treated with respect at all times

At Our Lady's this means that we should speak in a way that supports others and helps each individual to grow and feel a welcome part of our school community. Opportunities, help and support will be given to all pupils and staff regardless of their gender, faith, race or background.

Feel safe

At Our Lady's this means that disagreement should always be resolved through discussion. The behaviour of everyone should contribute toward creating a calm and peaceful community. People who have worries about bullying behaviour should be taken seriously, their concerns investigated and appropriate action taken. Everyone should look out for others and report any concerns.

Our Pupils

Our catchment has remained very stable for many, many years. In recent years we have been very heavily oversubscribed with around 240 first place choices for our 180 places and well over 700 applications overall. We therefore have a wonderfully diverse population with strong numbers of Muslim, Hindu and Sikh pupils and a variety of other Christian faiths. Our percentage of baptised Catholics is about 79%. None of our families ask for their children to opt out of any of our collective worship programme as they are all 'One of ours'. There is no academic selection of any kind nor social selection based on number of church attendances. Some of our wards are affluent and others are very disadvantaged indeed. We serve the absolute range of society with our overall population skewed slightly to more advantaged.

*“Students are focused,
mature, confident... friendly and happy”*
LANCASHIRE SCHOOL ADVISER

Catholic Teaching Alliance

In 2014 we were awarded the status of National Teaching School. Our plan was to create the Catholic Teaching Alliance (CTA), an association of Catholic schools, mostly within the Diocese of Lancaster, where the Catholic teachers and educational leaders of the future are trained. In part, this was a response to one of our objectives from our 2012 Ofsted report which was to 'Share more widely outstanding practice evident in school, for the benefit of students and teachers, including the use of digital history to aid learning.' It was also an expression of our belief in working in partnership with other schools for the greater good of Catholic education and to develop succession planning. The core business of the CTA is initial teacher training which we do in partnership with the University of Cumbria. The CTA base is here at Our Lady's in the Training Centre, a bespoke building from which both administration and many taught elements take place. To date we have trained approaching 250 people as potential teachers within our Catholic schools.

In 2021 the government changed the Teaching School system to one that is led by far fewer Teaching School Hubs. We did not meet the criteria to apply as our Ebacc figure was too low. We are therefore no longer a Teaching School as of September 2021, but the work of the CTA continues with strength through ITT (Initial Teacher Training).

Abacus Maths Hub

In 2018, following a competitive selection process, we became a pilot Maths Hub school with a view to becoming a lead school of a Maths Hub two years later. At the end of the first year of the pilot we were asked to become the joint lead school with Cardinal Newman School and so was created the Maths Hub, Abacus North West, which serves over 600 schools. Cardinal Newman School is the outstanding Catholic VI Form school in Preston and the significant majority of our pupils' progress there.

Behaviour & Relationships

We are very proactive about bullying and discrimination of any kind. We teach about such matters in our Personal Development programme; we research regularly with our pupils and staff to discover instances and we deal robustly with all examples.

Behaviour and relationships in our school are outstanding. Our teachers use our highly respected and successful system for managing behaviour and relationships called, 'Behaviour 4 Learning'. This is supported by a sophisticated system for rewarding pupils for being fit to learn and for commitment to school life. Our reward system is valued greatly as exemplified by how our pupils, from years 7 to 11, all wear their badges every day on their school jumper with pride. Our uniform is simple, affordable and is worn consistently by everyone. When you put on our uniform, you put on our school, because you are One of Ours.

“Behaviour is consistently outstanding”
LANCASHIRE SCHOOL ADVISOR

Our Lady's Catholic High School

Job Description

Accountabilities/Responsibilities – appropriate for this post

Key duties:

1. Plan, prepare and set up specific curriculum resources / materials / equipment for lessons, as directed by the class teacher
2. Implement structured and agreed practical learning activities for groups or on a one-to-one basis, as prepared by, and under the direction of, the class teacher
3. Develop, prepare and maintain specialist resources as required
4. Ensure the safe and secure storage of allocated resources / materials / equipment to prevent unauthorised access / misuse
5. Clean and undertake maintenance of equipment as needed to ensure it is clean and in good working order
6. Update records, including production of reports and analysis of information
7. Contribute to planning and development of systems, policies and procedures for their technical area.

Individuals in this role may also:

1. Ensure the adherence to health and safety regulations by technical support staff within the school
2. Demonstrate the use of equipment to technical and other staff
3. Provide clerical and administrative support to the classroom teacher as directed
4. Order and maintain resources within an agreed budget

Ensure the safe treatment and disposal of used materials, including hazardous substances, and respond to actual or potential hazards.

Please note that under the Criminal Justice and court Services Act 2000 it is an offence for an individual who has been disqualified from working with children to knowingly apply for, offer to do, or accept or do any work in a regulated position. An individual is disqualified from working with children if he/she is included on certain lists held by the Disclosure and Barring Service, or has been disqualified from working with children as part of a sentence.
